RECORD CROWD IS EXPECTED AT FAIRGROUNDS

With an estimated 12,000 in attendance Friday, one of the biggest days in the fair's history, officials of the South Mountain Fair were looking forward to a similar crowd today to set an all time week's attendance record for the annual exposition near Arendtsville.

When the 10-acre main parking lot at the fairgrounds filled early Friday evening, officials opened a field to the rear of the fairgrounds, last used several years ago as a horse show ring, and brought more than 500 cars through the fairground proper to the new parking place.

With the successful use of the new field in Friday night's emergency need, W. Clayton Jester, fair executive said, that the field will continue in use today to park additional cars.

Horse Show Underway  
Today the annual horse show was underway at the fairgrounds with approximately 90 entries in the various classes. The horse show will continue until about 7 o'clock this evening after which the last performance of the Black Diamond Rodeo will be presented.

Friday 418 members of Future Farmers of America units from Adams and Franklin Counties took part in the annual events held as part of the fair.

Richard Grove, Mercersburg, won first place, and the Franklin County championship in the annual tractor driving contest for FFA students. Leo Woerner, Gettysburg, (Continued On Page 3)

Menzies Talks With Nasser On Suez Go On; Deny Mission Fails

CAIRO, Egypt (P)—The Menzies discussions with Egyptian President Nasser on Suez "have not yet reached the final stages and are still going on," an official spokesman for the five-nation body said today.

The five-nation delegates met two hours this morning and will meet again on Sunday before seeing President Nasser again.

The meeting with Nasser probably will be held Sunday, he added.

Reverse Earlier Report  
The statement reversed an earlier announcement by a mission spokesman that the talks had come to a "complete end" and all that remained for the delegates to do here was to say goodbye to Nasser and leave.

The earlier statement of the mission spokesman indicated the mission's hopes had been completely dashed of reaching an accord with Nasser that would provide for international operation of the Suez Canal which Egypt nationalized July 26. The mission, headed by Australian Prime Minister Robert G. Menzies, has been engaged in negotiations here since Monday.

Father Refuses To Identify Body Of Babe; Won't Attend Services

NEW HAVEN, Conn. (P)—Stephen Ruotolo has been quoted as saying he won't attend services today for the little girl whose body was found Thursday in a plastic sack in the waters of nearby Lake Whitney.

Ruotolo steadfastly has refused to identify the body as that of his six-week-old daughter, Cynthia, who was kidnapped from her carriage a week ago today in the foyer of a crowded Sears Roebuck store in nearby Hamden, corner James J. Corrigan says.

Although investigators and members of the baby's family are satisfied "beyond question" that the body found is Cynthia's, Ruotolo has refused to agree. Corrigan last night quoted Ruotolo, 35, as declaring earlier that the body is that of a child too large to be his daughter. Members of Ruotolo's family, it was said, have been

Miss Kathryn Marie Hill, 21, Arthurdale, W. Va., was fatally injured Friday night at 10:15 o'clock when a car in which she was a passenger, upset one-fourth mile north of Littlestown on the Gettysburg Rd.

Death, caused by a fractured skull, according to Dr. C. G. Crist, Adams County coroner, occurred at 12:30 o'clock this morning at the Warner Hospital.

Miss Hill and her sister, Miss Virginia Louise Hill, 31, of 12 W. Mt. Vernon Place, Baltimore, were enroute to visit grand parents here when the accident occurred.

Sister Was Driving

State police said Miss Virginia Louise Hill was the driver and owner of the wrecked automobile.

According to police, the Hill car was headed north, ran off the side of the road and struck guard rails near the Sneringer quarry. The auto bounced off the guard rail and turned over on its side. Damage to the vehicle was estimated at \$200.

Miss Kathryn Hill suffered a fractured skull and other injuries when the car upset. Her sister suffered a number of minor injuries, according to police, but was suffering mostly from shock and hysteria. As a result, police had no explanation of how the accident occurred listed on their preliminary report of the fatal crash.

Parents Arrive Today

The body of Miss Hill was released to the Peters Funeral Home here.

Parents of the two young women, Charles and Ethel (Shewe) Hill, arrived here this morning from their home in Arthurdale to be with their one daughter and to arrange for the funeral services for the other.

The deceased was a native of Morgantown, W. Va.

Football Fans At Scene

Football fans returning from a game at Littlestown were on the scene in numbers immediately after the crash. Charles W. Huber Jr., E. Broadway, and Jack Shainline, Carlisle St., in one of the cars immediately following the Hill vehicle, brought Miss Virginia Hill to the hospital here.

They said Miss Hill was hysterical and did not give an explanation of what had occurred, but did say the two women had been enroute to visit grandparents in the county.

Later this morning Miss Virginia Hill told her family that she did not know what had occurred to cause the crash. Coming through Littlestown, she said, their car had followed a "parade," apparently of cars leaving a football game there, and that "suddenly the car just went out of control" and left the highway. Because of the line of cars, the vehicle was traveling "slowly" at the time.

En Route To Brysonia

The two young women were going to visit their grandparents, Mr. and Mrs. C. F. Shreve, and an uncle, Max Shreve, at Biglerville R. D., near Brysonia. The Shreeves purchased a farm in the Brysonia area and moved there several years ago.

Surviving Miss Kathryn Hill in addition to her grandparents, uncle, parents and sister, are two other sisters, Mrs. Carolyn McKinney, Morgantown, W. Va., and Mrs. Ellen Patterson, and two brothers, Wendell Hill, Arthurdale, and Hugh Hill, U. S. Army.

The body will be shipped to the Hunter Funeral Home, Berkeley Springs, W. Va., for services and burial.

ATTEND CONVENTION

Mr. and Mrs. Henry M. Scharf, Hotel Gettysburg; Mr. and Mrs. John Forest and Mr. and Mrs. M. C. Jones, Graeffenburg Inn., are attending the Pennsylvania Hotels' Association convention at the Yorktowne Hotel, York, this weekend. Mr. Scharf will participate in the program.

unsuccessful in their efforts to change his mind.

Corrigan added there is no doubt as to the identity of the dead child. Mrs. Eleanor Ruotolo, her mother, Mrs. Anna Munte, both made positive identification, the coroner said, as did the pediatrician and a visiting nurse who had cared for Cynthia.

But in addition, he continued, the woman who made the clothing the child was wearing when her body was found by three boys on a fishing trip, identified her handiwork.

There was no question that investigators would continue through the weekend their toilsome efforts to separate fact from fancy in the bizarre case. Late yesterday investigators removed from the Ruotolo home a quantity of bed clothing, a baby's crib and a set of golf clubs,

## SAYS HE SAW SOME CANALS ACROSS MARS

By THE ASSOCIATED PRESS  
A Japanese astronomer on Friday reported seeing several "canals" in the northern hemisphere of the planet Mars—under close scrutiny by star gazers around the world.

The existence of such canals long has been the subject of great debate.

They were first reported many decades ago, but other observers who have spent a lifetime at telescopes failed to catch a glimpse of them.

The great question concerning the canals, assuming they do exist, is whether they are arteries such as waterways devised by intelligent beings or some kind of natural phenomena.

Nearest Since '24

The latest report came from Dr. Mikikazu Onishi of Kobe, Japan, who like many other astronomers in recent weeks has concentrated attention on Mars during its closest approach to Earth since 1924.

The nearest point — 35,120,000 miles—was reached at 1 a.m. EDT Friday.

Astronomers elsewhere told of observing a bright object near Mars, believed to be a comet, and a vast cloud of yellow or yellow-white dust spread over a portion of the planet itself. The latter, too, has been seen previously.

At Osaka, Japan, Dr. Tsunoo Sacki, chief of the Mars section of the East Asia Astronomical Society, made the report on the bright object.

Some Doubtful

He said he spotted it to the west of Mars Wednesday night and that his study convinced him it was a comet. Other Japanese astronomers voiced doubt.

The huge cloud of dust was observed by Dr. Masataro Miyamoto of Kyoto University's Hanayama Observatory in Japan, and Dr. E. C. Slipper of the Lamont-Hussey Observatory at Bloemfontein, South Africa.

Dr. Slipper described it as about 200 miles long and 400 miles wide. He watched the planet all night on a screen, on which Mars appeared about the size of a golf ball.

Many At Work

Seventeen observatories in 10 nations were geared to study Mars during its rare close-up visit.

It won't be as close again until 1971. Sometimes the planet is as far away as 235 million miles.

Most likely, it will be months before information obtained now can be correlated and the new findings, if any, made public.

## TORN SCALP IS REPLACED

SAN DIEGO (AP)—Janice Cory, 11, who was scalped when her long hair caught in a whirling gear of a dough mixing machine in a bakery, was in serious condition today.

Surgeons fitted the scalp, which was removed intact from the machinery, back into place in a three-hour operation Thursday night.

The scalp was torn off from above the eyes, including the eyebrows, over the ears and down the neck.

Doctors said there was "a small but definite" chance that the grafted scalp would hold. They said there have not been enough cases locally of complete scalpings to give them a basis upon which to judge this case.

Janice, in a church group visiting the bakery on Thursday, was standing with her back to the machine. As she looked up at the mixing operation her hair fell into a small opening and was caught in the gears.

Janice is a daughter of the Rev. and Mrs. Edwin E. Cory of suburban Chula Vista.

Nurse Is Charged In Mennonite Case

HAGERSTOWN, Md. (AP)—The state has charged Mrs. Alla Judy Harnly, 26, a Hagerstown nurse, with assault for what it terms the forced transportation of a Mennonite farmer to a mental hospital near Lebanon, Pa.

Mrs. Harnly gave two hypodermic injections to Adin Hege, 50, while seven men held him Aug. 16, State's Atty. Tom Kaylor said yesterday.

Kaylor said Hege was taken asleep to a Mennonite hospital near Lebanon and released several days later after an investigation by authorities. An examination by two Hagerstown physicians showed he did not require confinement.

Mrs. Harnly was to be arraigned Friday. The seven others have been released in \$500 bail. All the accused are members of the Mennonite sect.

## DUFF ASSERTS DEMS FORCED TO FAKE THE FACTS

PITTSBURGH (AP)—Sen. James H. Duff (R-Pa.) today lauded President Eisenhower as "the most beloved president in our lifetime" and said that in the presidential campaign the Democrats will have to "fake the facts and fight the facts instead of the facts."

In a speech prepared for delivery at a campaign strategy meeting of the 113-member Republican State Committee, Duff said: "The Republican Party this year has all the elements necessary for victory—the most beloved president in our lifetime, an unprecedented record of accomplishment, and a sound and forward looking program for the coming four years that meets both the hopes and the aspirations of the American people."

"This year the Democrats have no real issues," Duff declared. "All they can say is—me too, only more so. They can, of course, fake the facts—and fight the fake instead of the facts. This they have already begun to do. Like a puppy growling and shaking a rag dog, they are already raising Cain with a make-believe."

Duff's speech came as the committee prepared to adopt a "declaration of principles," which a spokesman said would attack Democratic Gov. George M. Leader's tax program and his "broken campaign promises."

## BATCHELOR'S VERDICT STANDS

WASHINGTON (AP)—The Court of Military Appeals Friday upheld the Army court-martial conviction of Claude J. Batchelor of Kern, Tex., on charges of helping the Communists while a prisoner of war in Korea.

The court, acting unanimously, said "the evidence supporting the findings of guilt" is overwhelming.

Batchelor was sentenced to life imprisonment but this later was reduced to 20 years.

He was convicted in 1954 on two counts of informing against fellow prisoners and three counts of giving aid to communist propaganda during leading discussion groups, making pro-Red recordings, and agreeing to take part in subversive activities after the war.

The court rejected a defense contention that it is no violation of law for a prisoner of war to inform on a comrade for the purpose of bettering the conditions of all other prisoners.

3 Deny Guilt On Sedition Charges

SAN FRANCISCO (AP)—Three Americans who continued to publish a magazine in Shanghai for three years after the Reds took over China pleaded innocent yesterday to government charges of sedition.

Schuman and Mrs. Powell are charged with one count of conspiracy.

## RESUME EFFORTS IN GLASS STRIKE

PITTSBURGH (AP)—Federal mediator William Rose Friday resumed efforts to end a strike of 10,000 employees against 39 glass manufacturing companies across the country.

The strike, called by the American Flint Glass Workers Union, started last Saturday against the National Assn. of Pressed and Blown Glassware and the Glass Container Manufacturers Institute. The association represents seven firms employing 7,000 union members; the institute represents 32 firms employing 3,000 union moldmakers.

About 30,000 other employees at the plants are idle because they refused to cross picket lines.

The union and the Blown Glassware Assn. met briefly yesterday, then recessed without scheduling another meeting. Rose said he saw no signs of progress in the negotiations.

## TRAIL BLAZER JUMPS TRACK; 37 INJURED

WARSAW, Ind. (AP)—The Pennsylvania Railroad's Trail Blazer, less than two hours out of Chicago on its turn to New York, jumped the track here late yesterday, injuring 37 persons but none of them seriously.

Witnesses marveled none of the 272 passengers was killed. Derailled cars listed at a 45 degree angle, but none fell over. Trainman said the cars were held up by a soft roadbed, which had just been worked over by section crews.

Only 13 of passengers and trainmen remained in McDonald Hospital and Murphy Medical Center today, 24 others having been treated and released. Others were treated for slight injuries at the scene.

Blame Bad Journal

A railroad spokesman said a defective journal on a wheel at the kitchen end of the diner caused the wreck. The journal is that portion of the axle which turns in a bearing.

The train broke in two, the locomotive and first two cars staying on track. Nine other cars left the rails and tore up a quarter mile of track, just a few blocks east of the station.

The Trail Blazer was not scheduled to stop in Warsaw, which is 40 miles northwest of Fort Wayne.

## "RIP KIRBY" ARTIST KILLED

WESTPORT, Conn. (AP)—Alexander Raymond, 47, a cartoonist who originated the "Flash Gordon" strip and currently drew the "Rip Kirby" series, was injured fatally Thursday in an automobile accident.

Raymond was identified as the driver of a Chevrolet Corvette sports car that slammed into a tree and rolled over. Injured seriously was the car's owner, Stanley Drake, of Westport, another King Feature Syndicate artist, who penned the "Heart of Juliet Jones."

Raymond was pronounced dead on arrival at the Norwalk Hospital of a skull fracture and multiple internal injuries. Drake is being treated there for a possible skull fracture.

Raymond has been associated with King Features many years, and drew the "Jungle Jim" and "Secret Agent X-9" strips in the past. Early in his career he assisted Chic Young with "Blondie" and his brother, Lyman Young with "Tim Tyler's Luck." In 1934 he created "Flash Gordon."

He was born in New Rochelle, N.Y., where he was an outstanding athlete at Iona Prep School. In World War II, he was a captain in the Marine Corps, serving in the Pacific. He lived in Stamford, where he also had a studio.

He is survived by his widow, the former Helen Frances Williams, and their five children.

## LEGION OPENS NEW RED DRIVE

LOS ANGELES (AP)—The American Legion set out today on a new crusade against communism after hearing a warning by Vice President Richard M. Nixon of communism's "serious threat to freedom" and a pledge by newly elected national Commander Wilbur C. Daniel to fight its "despotic evils."

The Legion wound up its national convention last night by electing Daniel, a 42-year-old Navy veteran, to the highest office of the 2,800,000-member organization. Daniel is from Danville, Va.

Earlier, the convention heard Nixon call "the struggle against world communism the greatest challenge that free men ever faced."

Daniel said his administration would be dedicated to "elimination of subversive and other elements constantly at work seeking to undermine and destroy the freedoms that all patriotic Americans cherish and hold dear."

John F. Stay, Philadelphia, was elected a vice commander.

The Legion Auxiliary, meeting in conjunction with the Legion, elected Mrs. Carl Zeller of Gibsburg, Ohio, president.

## Bodies Of 2 Marines Are Washed Ashore

NAHA, Okinawa (AP)—Two bodies were washed up on the beach Friday where 11 U.S. Marines drowned in an unexpected undercurrent Thursday.

Interruption of communications with remote "North Camp", where the drownings occurred, prevented any report on whether the bodies were identified. The U. S. 3rd Marine Division said, however, that helicopters and men of the 2nd Battalion, 9th regiment were continuing patrols in the hope of finding more bodies.

A preliminary report said the drownings occurred in waist deep water when the men went for a swim in their shorts after a hot day of work and field problems.

The beach was often used as a bathing spot by the men. Experts on water currents said, however, that the unexpected undertow may have been caused by typhoon conditions.

## DEMOCRATS ARE INVITING "JOE"

HARRISBURG (AP)—Mythical Joe Smith, Vice President Nixon's only opposition for renomination, has been invited to the Democrats' campaign kick-off in Pennsylvania next Thursday.

The invitation came from Matthew H. McCloskey, national chairman of the Democratic Finance Committee. He said:

"You, Joe Smith, have become the symbolic figure of lost Republican hopes. You are Custer's Last Stand, the pride of Mudville at the end of the ninth inning and the family black sheep, all rolled into one defenseless fall guy. We need you."

Adlai Stevenson is scheduled to deliver his first major television address of the campaign at the fund-raising dinner.

Smith's name was placed in nomination at the Republican convention by Terry Carpenter, a delegate from Nebraska. He said he did so to show that the convention was open.

## JUNGLE FIRING WAS ACCIDENT

CIUDAD TRUJILLO, Dominican Republic (AP)—Robert Harrison 50, publisher of Confidential magazine, says the shooting that put him in a hospital here was an accident.

The New Yorker told reporters Thursday he did not plan to file charges against Richard Weldy, 35, jungle trapper and tour director. He said, "Weldy is a nice person."

He thus backed up Weldy's story that he dropped his shotgun accidentally and it went off. The charge wounded Harrison slightly in the right shoulder.

The shooting took place Tuesday in a mountain jungle near Jaramaco about 70 miles northwest of here. Weldy had acknowledged that at the time he and Harrison were quarreling over an article in Confidential about Weldy, his Peruvian actress ex-wife and her present husband, Hollywood star John Wayne.

Weldy was in the Dominican Republic to catch a rare species of ferret for a customer in Miami, Fla. He had come upon Harrison hunting with A. P. Govoni, managing editor of Confidential, and Geene Courtney, a pretty New York woman currently singing at El Embajador Hotel in Ciudad Trujillo.

After the shooting, Weldy and Govoni left to get help and Harrison and Miss Courtney remained in the woods. They were brought to the hospital suffering from exhaustion, nervousness and exposure.

Doctors said Harrison would be well enough in a few days to go back to the United States.

## Most Of Nation Has Fair Weather

By THE ASSOCIATED PRESS  
Most of the nation had fair weather today except eastern Gulf states and South Atlantic areas.

A high pressure area east of the Rockies brought the fair skies. In the eastern Gulf and South Atlantic states rain showers and cloudy weather were reported, however. Amounts generally were light in most regions. However, Burwood, La., reported 1.17 inches of rain in six hours.

Temperatures were lower in the southeastern part of the country and in some areas west of the Rockies. Elsewhere the temperature was warming. The largest 24-hour temperature falls were 10 to 20 degrees in the North Atlantic coastal states southwestward to the Lower Ohio River Valley.

## FOUR NAVY MEN DIE IN CRASH WITH TRAILER

TOPSHAM, Maine (AP)—Four Navy men were killed early Friday in the violent collision of their sedan and an 11-ton trailer truck at the junction of Rts. 201 and 196.

The dead men, all attached to the Brunswick Naval Air Station, were identified by the Navy as follows:

William J. Chambers, 18, of Paducah, Ky.; James P. Kershaw, 19, of Blackwood, N.J.; Gilbert Morales, 18, of Bronx, N.Y.; and Nathan Washington, 21, whose wife, Joan, is listed as residing at a trailer court at the air station.

A fifth Navy man, Thomas W. Jenkins, 19, of New Orleans, suffered shock and a possible brain concussion. He was taken to the Brunswick Naval Hospital.

Kershaw and Washington were hurled from the car by the impact which reduced the car to what police said looked like half its size.

All were attached to the Fleet Air Service Repair Squadron. Woodrow W. McLeese, 39, of Cumberland Mills, driver of the truck loaded with fruit and produce, was not injured.

McLeese told police: "I had just pulled up the hill when I saw them coming at me. I tried to pull into the field but they caught me. You wouldn't think that a car could lift the tractor right off its road."

Police quoted him as saying he was traveling along Rt. 201 and that the car containing the Navy men was pulling from Rt. 196 onto 201 at an "excessive speed."

## BRAIN SURGERY FOR D. E. WATSON

PHILADELPHIA, Pennsylvania Turnpike Commissioner David E. Watson underwent surgery yesterday for a brain tumor and is reported in "poor" condition at Einstein Medical Center.

Watson, also chairman of Philadelphia's Republican City Committee, was described by his physician as "very seriously ill."

The 62-year-old Republican leader was taken to the hospital Labor Day. His wife remained at his bedside yesterday and last night.

Watson's election recently to the city chairmanship climaxed a bitter fight of several months among Republicans. It followed soon after another fight between Watson and Gov. Leader, who sought unsuccessfully to fire Watson from his turnpike post.

Thomas C. Eagan, former Public Utilities Commission member, was recently appointed Philadelphia campaign manager by Watson and is expected to head Republican efforts, in Watson's absence, for the November elections.

### 100 Judge Swine

Thus the best driver has the lowest score. The last place driver in Friday's event had a score of 527.5, which is still considered a relatively low score under the conditions of the contest, officials said.

Third place was a tie between Clair Bentzel, East Berlin, and Eddie Forester, Chambersburg; fifth place went to Berlin Stull, Greencastle; sixth to Clair Herr, New Oxford; seventh Jay Lehman, Fannett-Metal; eighth, Stanley Group, Biglerville; ninth, Leon Harbaugh, Fairfield, and tenth, Gerald Taylor, Waynesboro.

Twenty-one youths took part in the land judging event, in which a trophy is given to the Adams county winner by the Adams Agstone Co. and a similar trophy goes to the Franklin county winner from the Fry Coal and Stone Co. of Mercersburg. The winners from each county are also sponsored by the two concerns as participants in the state FFA Week land judging events at Pennsylvania State University.

The others in the first ten, in order, were Lloyd Boyer, East Berlin; Parker Coble, Biglerville; Eddie Zeger, Mercersburg (who becomes Franklin county champion); Russell Hartman, Fairfield; Stanley Boyer, East Berlin; Charles Linis, East Berlin; Ronnie Freshman, Waynesboro, and Francis Cool, Fairfield.

## Answers Adlai On Education Charges

WASHINGTON (AP)—Rep. Samuel McConnell, Montgomery County, Pa., Republican, says Adlai Stevenson either "deliberately misinterpreted the facts" or else was misinformed in a reference to "failures" of the administration in the field of education.

Speaking of a statement issued earlier in the day by the Democratic presidential nominee, McConnell said one fact Stevenson "is presently confusing is that it was the Democrats and not the Republicans who defeated President Eisenhower's school construction bill."

McConnell said "Democrats must take the responsibility for defeating the bill by refusing to back" an amendment he sponsored to distribute federal school aid on the basis of need. McConnell is the ranking Republican on the House Education Committee.

## 3RD COURT SEAT FOR IKE TO FILL

WASHINGTON (AP)—Washington sources had almost no clues today as to who will succeed Justice Sherman Minton on the Supreme Court bench.

Minton announced his retirement, effective Oct. 15, yesterday, saying he no longer felt physically able "to do the kind of work this position demands." The official reaction obviously was one of surprise.

The resignation gives President Eisenhower his third opportunity to name a Supreme Court justice. His previous selections have been Chief Justice Warren and Justice Harlan.

After announcing his retirement, Minton told newsmen "I have pernicious anemia and there is no cure for it. There are times when I might fail if I had no cane handy." He added he was plagued by a falling memory.

By retiring instead of resigning, Minton will be eligible to serve on U.S. circuit and district courts. He is qualified for a \$35,000-a-year pension.

Results were: Mrs. Glenda Eves, Chambersburg, president; Mrs. Dorothy Hoover, of the Mont Alto Sanatorium, vice president; Mrs. Josephine Delp, Gettysburg, second vice president; Mrs. Pamela Thomas and Mrs. Ellen Niemi, directors.

Named as chairmen of committees were the following: Mrs. Melba Maxheimer, Chambersburg, bylaws; Mrs. Delp, membership; Mrs. Mary Brand, Chambersburg, finance; Ida Mae Coshun, Gettysburg, legislative; Virginia Meyers, Chambersburg, counseling and placement; Mrs. Anna Gibboney, Chambersburg, public relations; Emily Mossbrook, Mont Alto, program.

Mrs. Delp reported that of 27 districts in Pennsylvania, the Adams-Franklin-Pulton District was one of three increasing their memberships. This district registered a three per cent increase.

Mrs. Maxheimer noted that plans were being completed for the Alcoholic Institute to be held at the Chambersburg Area Senior High School on Wednesday, September 26.

A leadership workshop for officers and chairmen of committees will take place at York on September 28 and 29.

Eight delegates of the district will attend the state nurses' convention which will be held at the Bellevue-Stratford Hotel, Philadelphia on October 30 and 31 and November 1 and 2.

Requirements to become citizens of the U.S. are waived in the cases of certain veterans of the U.S. armed forces.

## TEN YEARS AGO

Col. Thomas H. Nixon Visits War Service: The biggest "industrialist" in all Europe during the past year was a Gettysburg native, Colonel Thomas H. Nixon.

The colonel, who visited here Friday and this morning during his first visit to the United States in almost four years, as chief of ordnance for the European Theater of Operations had charge of machinery, equipment and factories from Norway to Algeria and from Vienna to the Azores. He was assigned as chief of ordnance in August 1945.

**Enrollment Up At Seminary as New Year Opens:** With a marked increase in enrollment that indicates a return to prewar levels by 1948, the Gettysburg Lutheran Theological Seminary has opened its 121st academic year after the first summer suspension of classes there since the beginning of the war.

There are 60 students enrolled with several others expected to enroll. The figure is 10 above the number who studied there last year and includes 28 first year men. Fifteen of the students are World War II veterans.

**Miss Alexander Weds Saturday** In Baltimore: Miss Ida Mae Alexander, daughter of Mr. and Mrs. Roy A. Alexander, 38 East Broadway and William Thomas Smyth, son of Mr. and Mrs. Albert S. Smyth, Baltimore, were united in marriage Saturday afternoon in the Franklin street Presbyterian church, Baltimore. The double ring ceremony was performed by the Rev. Dr. Kirk, pastor of the church.

**15 One-Room Schools Are Discontinued:** With the closing of 15 additional one-room schools in Adams county since June 30, the end of the previous school year, a new spirit in educational progress is revealed in the county. School directors and residents of the school districts are showing that their desire for better educational facilities are outweighing the nostalgic memories of the "little Red School House."

Ten years ago there were 102 one-room elementary schools and one single room high school in Adams county. With the closing of 15 schools this year there are 61 one-room schools remaining. The single room high school was at Abbotstown. It was closed three years ago.

The schools which have been closed include the following: Walnut Grove, Beaver Creek primary and Beaver Creek grammar, in Berwick township; Willow Grove and Centennial Hall in Cumberland township; Hartman's and Seven Hundred in Hamilton township; Grayson's in Liberty township; Oak Grove and Harners in Mt. Joy township; Oak Wood in Reading township; Fairview, Pines and Rocky Grove in Straban township.

**Cashtown Inn, Old Landmark, Changes Hands:** The historic Cashtown Inn, 149-year-old landmark of western Adams county, which served as a stage coach stop in pioneer days, has been sold by its owners Daniel S. and Ruth S. Mickle, Cashtown, to Janet N. Andrew, Cashtown and her sister Gladys I. Stuckey, Caledonia. The inn was built in 1797 by Nicholas Mark, great grandfather of Clarence Bream of Cashtown, and for many years was a well-known hostelry on the stage route west. It was the first stop west of Gettysburg. Others were at Graeffenburg Inn and Chambersburg.

**George C. Boehner Ends Navy Duty After 3 Years:** Gettysburg men had many unusual jobs during the war, but one of the oddest assignments was that given George C. Boehner, son of Mr. and Mrs. George W. Boehner, 126 Springs avenue, who returned home Saturday after more than three years service with the navy.

Ensign Boehner was assigned to the floating drydocks, one of the few naval vessels without motors

## Today's Talk

## THE DEMOCRACY OF NATURE

As I write I am among trees, wild flowers, birds, ripe berries, rocks thousand of years old, and innumerable small growth, to say nothing of one almost continuous carpet of mosses that shine rich in the sunshine. Nothing here is quarreling with any other thing. Pure democracy here. I look out upon this scene. How I wish people could take their place as all things in Nature do, and remain a part of all that is in Nature.

The Maple doesn't quarrel with the Hemlock, or the White Birch with the Oak. They are of different cast but they live happily and healthfully side by side. History wraps up an absorbing story of this little island, and it gives me so much on which to speculate and imagine, though there is plenty to stimulate the mind here, and to pay tribute to God, the Creator of all.

I believe the birds like me, for they perch on the rustic veranda and light upon the floor, where they eat from the seeds and crumbs that I have placed there for them. And I have a feeding box, elevated, where these birds come daily. I wonder what thoughts if any, pass through their tiny minds. They chirp and lightly sing. They must be happy, just the same as all hereabout.

What a lesson can be drawn from Nature, no matter what part is to be studied! There is such encouragement and inspiration in every silent and talkative member of Nature. All Nature has a language, but only those who have an inward acquaintance with all Nature sense the meaning and significance which are there.

Take a great tree. How it clings to life! I viewed a mammoth one today in which man helped out by braces and the elimination of limbs that had already served their purpose. And what a hold on earth that great tree still had! As though it hated to leave all its companions. I wonder if trees miss their companions or are lonely when they do.

## APPROACHING FALL

The days slip by, as if in haste. Much like old men whose years are few; They haven't any time to waste, There's still so much that they must do.

The summer months approach the end, And there are buds that still must flower, The orchards on their warmth depend, The gardens wait for every hour.

Artists of autumn linger by, The charm of pigments gay to spread; And soon where dullness meets the eye Will every shrub be robed in red.

Soon stronger will the wind appear, Louder its dirges will be sung, With beauty rare the fading year Will tell us all it once was young.

and probably one of the slowest moving naval vessels in existence. "Nobody liked us and all for the same reason," Boehner explained. "The Japs disliked the floating drydocks because they repaired the ships quickly and close to the enemy's lines. The American sailors disliked us for the same reason. Because we prevented them from getting back to the States where they would have had to go for repairs if the floating drydocks were not available."

KY. GUARDSMEN  
PATROL STURGIS  
AS SEGREGATION  
FIGHT SIMMERS

## By THE ASSOCIATED PRESS

The segregation issue continued to smolder Friday in the principal southern hot spots.

Heavily armed Kentucky National guardsmen patrolled the streets of Sturgis during the night while a generally orderly crowd estimated at 1,000 cheered fiery segregation speeches in public parks.

Early on Thursday guardsmen armed with riot guns and bayonets formed a solid wall to protect nine Negro students as they left the previously all-white Sturgis High School after their first day of classes.

Three hundred fifty students are enrolled at the school. About 175 left their classes Thursday.

An angry crowd of 500 shouted threats to "get you niggers if it takes all year," while the guardsmen pushed a path to three cars in which the students left.

Just before the Negroes came out of the school building, troopers took a shotgun from an unidentified man in the crowd. Three fist fights were reported between members of the crowd and guardsmen but apparently no one was injured.

National Guard officials sought advice from Gov. A. B. Chandler as to whether they should post a patrol around the Negro residential area.

At Clinton, Tenn., where the National Guard restored order last weekend, citizens took a step toward preparing for the time when guardsmen will be withdrawn. An auxiliary police force was re-organized.

Leo Grant, an Oak Ridge attorney who headed the group when it broke up a mob Saturday night, was again placed in command.

Adj. Gen. Joe Henry said his original National Guard force of 633 has been cut by 200 men. He indicated the National Guard may do a gradual fade out instead of moving out en masse.

This reminded town people of the question: What happens when the guard pulls out? Several persons have expressed fear of reprisals for sending their children to the integrated school. Some told of threats that their homes would be dynamited.

Millard Grubbs, chairman of the Board of the Kentucky Citizens Council, was one of the segregationists flown to Sturgis from Louisville to address a rally in a public park. He condemned the U.S. Supreme Court and suggested that "the white people take over." Supporting Grubbs was W. W. Waller Jr. of Morganfield, who told the crowd that "I don't like it when they put a bayonet in my ribs when I'm home with my family."

CAMBRIDGE, Mass. (P) — The 190-foot steeple of Harvard University's Memorial Hall, a landmark for 80 years, was destroyed by fire which school authorities said today caused damage of about \$200,000.

Cambridge City Councillor Edward A. Crane, a Harvard alumnus, said restoration of the steeple might cost as much as two million dollars.

SCRANTON, Pa. (P) — Henry A. Schreiber, 60, one of the region's leading clothiers and former tax collector, was found fatally wounded Friday in the office of his store in downtown Scranton.

Schreiber had entered the store a few minutes before employees heard a pistol shot and rushed to his office. They found him with a wound near his heart.

WHISKEY, GAS,  
AUTO TAXES HIT  
NEW HIGH IN '55

## By WILLIAM O. VARN

WASHINGTON (P)—The public paid more federal taxes last year on whiskey, gasoline and autos than in any previous fiscal year.

And the current year seems headed toward still another record, because of a July 1 increase in gasoline and other highway user taxes to finance the highway building program.

The Internal Revenue Service reported today that excise taxes yielded the government \$10,044,195,000 in the 1956 fiscal year ended June 30.

## Nearly 3 Billions

In that total, the service said, consumers paid record amounts on all types of alcoholic beverages and on gasoline.

Taxes on liquors at \$10.50 a gallon piled up to \$2,062,242,000—the first time the total ever went over

STEVENSON  
MAKES BID FOR  
LABOR VOTES

## By DOUGLAS B. CORNELL

SAN FRANCISCO (P)—Adlai E. Stevenson beckoned to the American working man today to "choose vision instead of complacency" in this election year and "march with the Democrats along the road to the new America."

The Democratic candidate for president accused the Republicans of offering labor and the nation proposals and pious words but not performance.

Stevenson conceded there were "forward-looking parts" in the acceptance speeches President Eisenhower and Vice President Nixon delivered at the Republican National Convention here last month. But he said that sitting complacently on the convention floor and "chanting for the leader they seldom follow" was "the old Republican wrecking crew" which

Coupled with peak yields from levies on beer and wines, alcohol taxes brought in \$2,920,574,000. That was 123 million more than in fiscal 1954, the previous top year.

## Big Tax Figures

Gasoline taxes yielded a new high of \$1,030,397,000, about 75 million more than in fiscal 1955, the previous record year.

The booming sales of automobiles in the last half of 1955 helped to boost the excise tax return on vehicles to a record \$1,376,372,000.

Tobacco taxes, another big source of revenue, brought in \$1,613,497,000, but this was below the record set in fiscal 1953.

will vote to keep those segments of the speeches from ever becoming law.

"We must face the fact, the Democratic nominee said, "that every four years the Republican candidates talk like Democrats. I am always flattered when they borrow our ideas, but they don't keep them long enough."

Stevenson, who served the American Legion to both braves and boos in addressing its annual convention in Los Angeles Wednesday, continued pummeling the Republicans.

He came through some rough razzing from some of his fellow legionnaires with no obvious chip on his shoulder.

The audience for which his speech was prepared Thursday was another convention, calculated to be more friendly — a convention of the International Ass. of Machinists in the San Francisco Civic Auditorium.

Stevenson said he was proud of

what he called a natural feeling of kinship between the working people of America and the Democratic party. Both, he said, "stand as the people's advocates."

"And what is more natural," he asked, "than our common determination to move ahead together along the road to the new America—a land where all may dwell in self-respect and freedom and all may share in an ever expanding opportunity?"

Stevenson promised that he and

Sen. Estes Kefauver of Tennessee, the Democratic vice presidential nominee, would "put on the hard-earned campaign that this country has ever seen." And he told the machinists that with their help they will win in November and "will start next January to build the new America."

## Lowly Cubs Shut Out Braves 5-0 While Giants And Brooks Split; Mizell Beats Redlegs For Cards

By ED WILKS  
The Associated Press  
Sad Sam Jones, Vinegar Bend Mizell and Johnny Antonelli, three pitching disappointments who might have made it a different race, turned out to be the guys who put the National League pennant contenders in the spot they face today.

Jones, fast but wild, didn't have a single shutout in his 7-13 record for the last-place Chicago Cubs. But he kept his walks in check, fanned seven and scattered seven hits yesterday to trim Milwaukee's first-place Braves 5-0.

Mizell, the big lefty the St. Louis Cardinals had counted on for a flag chance but who was just 12-12, came alive and fired a two-hitter past Cincinnati's free-swinging Redlegs to win 1-0.

**Giants Win Split**  
Antonelli? He was the New York Giants' big hope, but turned up with a 14-13 record. So he comes through with his first complete game in Ebbets Field, a house of horrors for southpaws, to defeat Brooklyn 6-2. The Brooks had to scramble to win the second game of the twilight pair, with Carl Furillo's 11th-inning home run doing it 3-1 for Don Newcombe's 23rd victory and a second-place tie with Cincinnati. They trail Milwaukee by 1 1/2 games.

In the other NL game, Robin Roberts—set on gaining his seventh straight 20-victory season—won his 16th as Philadelphia beat Pittsburgh 5-2.

**Nationals Nip Yanks**  
In the American, Washington clipped New York 6-5, but the Yankees' lead stayed at 9 1/2 games as Chicago defeated second-place Cleveland 2-1. Boston split a twilight pair at Baltimore, winning 7-5 in 10 innings, then losing 5-0. Detroit walloped Kansas City 12-7.

Jones, a right-hander whose league-leading strikeout total now reads 148, handed the Braves their fourth straight defeat as the Cubs clubbed 16-game-winner Bob Buhl. They scored one in the first, then wrapped it up with four in the sixth—on four hits, three of them doubles by Ernie Banks, Walt Morin and Pete Whisenant.

Mizell, who has been slugged for seven Redleg home runs but has managed to win five of the Cards' seven decisions over Cincinnati, rode in on Ken Boyer's 22nd home run in the seventh-inning—only his second since the All-Star Game. Joe Nuxhall, losing his ninth, gave just two other hits, both by Bobby Del Greco, in his seven frames. Wally Post, in the second, and Frank Robinson, in the ninth, singled for the lone hits off Mizell, who walked three, but struck out six.

**18th For Big Don**  
Antonelli, whose only other victory in Ebbets Field came in a relief job on June 3, 1953 with Milwaukee, made it three straight over the Dodgers although tagged for 12 hits. Willie Mays, hitting eight of his last 10 home runs against the Dodgers, smacked his 28th and 29th. Carl Erskine lost his ninth, leaving in the second.

Newcombe, the biggest Dodger winner since 1924 when Dazzy Vance won 28, allowed six hits and walked none in the nightcap. Furillo's shot, his 18th, followed a walk against reliever Dick Littlefield with two out in the 11th.

Lee Walls and Frank Thomas homered off Roberts, who has lost 16, but the Phils led 4-0 in two frames against Bob Friend, who lost his 15th.

**15 Hits For Senators**  
The Senators had 15 hits off five Yankee hurlers, four each by Herb Pless and Roy Sievers, while battling back from a 4-0 deficit. Yogi Berra drove in four New York runs with his 27th homer and a single.

A seventh-inning triple by Nellie Fox won for the White Sox in the seventh as Jack Harshman, with a four-hitter, beat the Tribe for the fourth time. Bob Lemon, looking for his 20th career victory, took his 12th defeat.

Jackie Jensen and Ted Lepio singled for two runs that won for the Red Sox in the 10th of the opener. But Red Brown then set down his ex-mates on six hits in the nightcap.

Harvey Kuenn drove in four runs, with a triple and double, for the Tigers. Hal Smith knocked in five for the A's.

**LOS ANGELES**—The Los Angeles Rams scored three touchdowns in three minutes while romping to a 69-21 win over the Chicago Cardinals in a National Football League exhibition game.

## BULLETS PLAN INTRA-SQUAD SCRIME TODAY

A full-scale intra-squad scrimmage will be held this afternoon at 4 o'clock by the Gettysburg College football squad as the second week of drills gets underway.

Coach Johnny Yovicsin sent his 37 candidates through an hour scrimmage Thursday and Friday afternoons.

The past week has been a busy one for the candidates and coaching staff. Workouts have been held daily from 9:15 to 11:15 a.m. and from 4 to 6 p.m. Preceding both morning and afternoon drills, squad meetings were held. The evenings have been devoted to the showing of films. A similar daily program will be followed next week.

**Generally Pleased**  
The coaching staff has been generally pleased with the progress shown in practices although the recent warm weather proved somewhat of a handicap.

Many changes in positions and additional experimentation are being worked out, the results of which will begin to take form next week.

The Bullets will open their season with Lehigh University at Bethlehem Saturday, September 22. Next Saturday George Washington University will come here for a full-dress scrimmage.

## Delone Jolts Favored Hawks 28-7 As Three Gettysburg Men Play Important Roles

A six-year opening game losing streak was broken Friday night when the Delone Squires pulled their first big upset as they trounced their rival Hanover Nighthawks 28-7 on the Sheppard-Myers Field, Hanover, before a crowd of 7,500 cheering fans.

With the aid of three Gettysburg lads, the Squires were able to beat the Hawks for the first time since 1949 when they turned back the Orange and Black team 33-7. Richie Hemler, Johnny Gastley and Lloyd Washington were the standouts in the Delone backfield both on the defense and offense. Hemler averaged 6.6 yards per try and scored one touchdown. Washington was top man in the average department with a 9-yard average and also tallied one six-pointer. Gastley, who was playing mostly defensive ball, stopped a possible scoring threat by intercepting a Forry pass. While on the offense Gastley averaged 5.7 yards per carry and set up one of Delone's TD's.

Delone tallied in every period, with the first score coming with one minute remaining in the quarter. Tom Good, Hanover halfback, fumbled on his own 23 where Dick Smith, Delone guard, recovered. The running combination of fullback Earl Mann and halfback Richie Hemler, plus an interference penalty against Hanover, placed the ball on the Nighthawk's 7-yard line. Mann then plunged through the line for the first score of the game. Charlie Doll, with his accurate toe, booted the extra point and Delone led 7-0.

**Washington Scores**  
Four minutes later the Squires were again knocking on the door to the Hawk goal. Delone had possession of the ball on their own 31 by way of a Hanover punt. Again it was the plunging and end-running efforts of Hemler and Mann who had help from Pat O'Brien which brought the ball to the Hanover 34-yard line. Lloyd Washington then cracked the left side of the line and with perfect side stepping, was able to keep out of the reach of oncoming tacklers and bolt his way across the goal line for the second Delone score. Again Doll converted and the Squires led 14-0.

With accurate passing and fine end run plays, the Hawks took the ensuing kickoff and, on a sustained drive of 62 yards, moved the ball to the Delone 25 yard line. From this point Bob Forry shot a long pass to Carl Klinedinst who stepped over the line for Hanover's only tally. Forry added the extra point as Hanover trailed at the halfway mark 14-7.

LANCASTER, Pa. (AP)—The Commonwealth charged against an eight-year-old boy who admitted kicking to death a nine-year-old girl because she had refused him a kiss.

The boy, Leroy Black, who was the youngest murder defendant on record in Pennsylvania, will go instead to the Lancaster County Juvenile Court, where he will be charged as a juvenile delinquent.

Leroy, the son of Mr. and Mrs. Howard Black of nearby Columbia, has been held at a detention house, since shortly after the death June 21 of Darlene Hougendobler, daughter of Mr. and Mrs. William Hougendobler of Columbia. The two families live on the same street.

Schenectady virtually clinched the Eastern League pennant last night with a double win over Williamsport while second place Binghamton divided with Allentown.

Both teams have three games left and the Blue Jays are two and one-half games in front.

After the Jays pounded out 16 hits at Schenectady to take a seven-inning opener 14-1, they roared back in the nightcap with 13 more hits for a 9-0 victory.

Meanwhile, at Binghamton the Trips dropped their opener 7-5 and shaved the Red Birds 7-6 in the second game.

**Squires Again**  
The Red and blue team rapped up the game in the final period when they banged away at the Hawk forward wall to advance the ball to the two-yard line. Mann then took a hand-off from Hocken-smith to plunge the remaining distance for the score. Doll's fourth conversion was good. Delone was able to keep Hanover from threatening the remainder of the game.

Next Friday the Delone Squires will be entertained by the Gettysburg Warriors.

**Warriors Threaten**  
The Warriors gave evidence of rallying after the intermission as Ken Mummert returned the kickoff to the Gettysburg 34. After a pass was ground, Rex Baltzley rammed the middle of the line for four. Ken Keefer, the Warriors' best running back, went around right end for eight. The attack stalled and Bob Furney punted to the Westminster 20 where Jeff Smelser fumbled and Keefer recovered for Gettysburg. Furney hit the center for 4 followed by Keefer's 1-yd. gain after he was apparently trapped for a huge loss. Keefer went to the five but there the attack faded as Ed Shilling intercepted one of Earl Little's passes.

Westminster scored its first six-pointer early in the second period. Smelser returned a Warrior punt to the Gettysburg 32. Shilling picked up eight and Smelser advanced five to the 19. After an off-side penalty, Head faded and passed to Smelser on the Warrior 10 and he ran across for the score. Head's kick for the point was wide.

The Owls second six-pointer came early in the final period and followed Gettysburg's lone threat. After Shilling intercepted Little's pass in the end zone, the Owls had possession on their own 20.

In ten plays Westminster had a first down on the Gettysburg 12, but the Warriors braced, and took over on their own five. On the first play of the series, Furney plowed through the line for 10 but fumbled and Westminster recovered.

Shilling took a pithy punt from Head and passed to Ken Frock in the end zone for Westminster's second and last score. Again Head's kick for the point was wide.

Gettysburg's green team showed a stout heart in its defensive play time and time again. The Jitters accounted for the lack of offense as two fumbles recovered by the opposition and three pass interceptions ruined any opportunity the Maroons might have had to score in the second half.

Next Friday Gettysburg will play host to Delone who defeated Hanover 28-7 in its opener Friday evening.

## 3 EXHIBITION GAMES BY PRO TEAMS TONIGHT

By THE ASSOCIATED PRESS  
Pro football's musclemen have three exhibition games scheduled tonight and it's a reasonable bet that all three together will have to strain to match the work the Los Angeles Rams and the Chicago Cardinals made for the scorekeeper at Los Angeles' Memorial Coliseum last night.

There were 13 touchdowns in all 10 by Los Angeles as the Rams treated a turnout of 35,855 to a 69-21 victory. It was the top offensive display yet in the National Football League's exhibition season.

The Rams held the previous single-team high in a 62-7 warmup romp over Fort Ord last month.

The only other game played last night was a direct opposite with Detroit's Lions and Paul Brown's slow-starting Cleveland Browns going without a touchdown until the final quarter. Then the Lions punched over two to go with a first-period field goal to hand the defending champions their fourth straight loss, 17-0.

**Steelers Vs. Bears**  
Tonight, the Pittsburgh Steelers entertain the Chicago Bears at Pittsburgh, Washington meets the Green Bay Packers at Winston-Salem, N. C., and the San Francisco 49ers play the New York Giants at Portland, Ore.

Chicago actually scored first, but it was a long and discouraging time between the first and second touchdowns. The Rams bounced back to score the next seven times they had their hands on the ball, with quarterbacks Billy Wade and Rudy Bukich in the starring roles. Long gainers were Wade's scoring passes of 41 yards to Bob Boyd and 34 yards to Bob Carey, Bukich's 44-yard flip to Elroy Hirsch, a 49-yard run by Skeet Quinlan and a 39-yarder by Tank Younger.

There were 48,105 at Briggs Stadium to watch the Lions beat Cleveland for the ninth time in the last 11 meetings between the two clubs. Sonny Gandee ran 14 yards with an intercepted pass and Jug Girard circled end for 18 yards for the fourth-quarter touchdowns to pad the lead Bobby Layne had given Detroit with a 16-yard field goal in the opening period.

## Warriors Lose Opener 12-0 As Owls Pass For Tallies; GHS Offense Is Smothered

Quarterback Jim Head, recovering from an elbow dislocation suffered Tuesday, came off the bench to lead Westminster High School to a 12-0 win over Gettysburg High School in the season's opener for both schools Friday evening at Westminster.

Although Westminster accounted for 260 yds. rushing, the Owls would have never scored had it not been for the veteran Head. Five times the Warriors staved off the attack within their own 20. As the first half came to an end, the Owls were only inches away from another score but a stout Gettysburg defense plus the ending of the half combined to deny the score.

**Warriors Threaten**

## 4-H Clubbers From All Sections Of The County Put Best Foot Forward At Fair During Week

Adams County's 4-H youngsters put their best foot forward this week at the South Mountain Fair. The county agents and the public generally held that the youngsters had done a better job this year than ever before as observed by their exhibits and activities at the fair.

At their 4-H exhibit building, the youths put on a miniature fair of their own, with all types of exhibits and displays shown. And they produced what were described as the "best beaves and some of the best dairy calves ever seen at the fair" in animal exhibits. Their swine displays also brought high praise.

**Take Championships**
